# Service Description

Our Office and Conference Catering Service has a flexible menu so you can mix and match your catering to suit your individual requirements. You can even hire our equipment, with everything from service-ware & diningware, to urns & set-up equipment. Delivery is available to all areas, and we can generally deliver to suit your exact timing.

One week's notice is required to guarantee exact menu choices, but we can always provide "chef's selection" and specials as short notice alternatives. You always have the option to order off-menu items and we can tailor a quote for your individual needs.

## **Minimum Orders 15ppl**

Orders can be emailed to [info@sparechef.com.au](mailto:info@sparechef.com.au) or phone your order through to **6651 7121**
